Edition 14 | Spring, Summer, Autumn 2025

## Dear Guests and Friends of Singer!

And once again, a summer season is just around the corner, and despite the wonderful snowfall we're currently experiencing, we are particularly excited for what's ahead.

As mentioned in our last news magazine, we had a special surprise planned for our Mr. Thomas. This surprise was combined with a trip to Paris – but you can read all about it in the following pages.

Now, let's talk about summer – on May 29th, it begins, and the beautiful, colorful meadows will be waiting for you in June. Followed by July and August, where the lakes, with their pleasantly cool temperatures, will offer a refreshing escape during the warm summer months. We've also included a few tips for you in this edition.

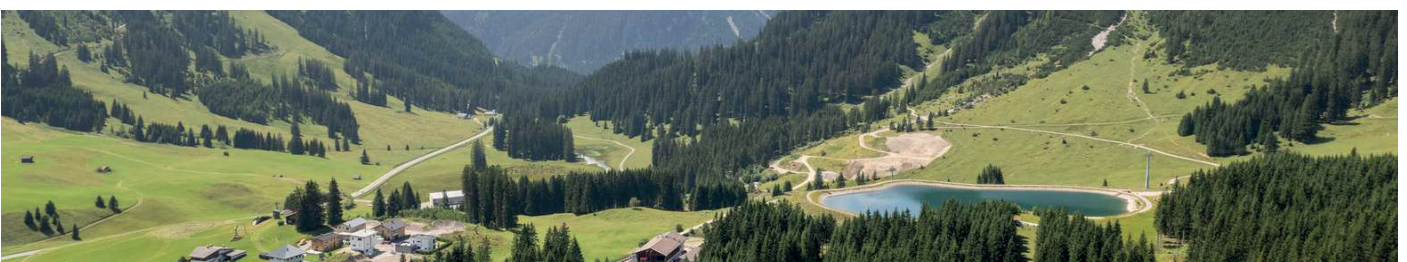

And as September and October arrive, and the leaves begin to change, the warm light invites you to discover our stunning mountain landscape, enchanting us anew on each hike.

Our region truly has so much to offer, especially during the summer months:

Whether it's hiking and mountain biking for mountain enthusiasts, or the amazing attractions around Berwang for families, including the new Escape Trails, or simply relaxing in our 10,000 m<sup>2</sup> Alpine-relaxation-garden surrounding our Singer's SPA.

Whenever we have the pleasure of welcoming you, whether as a family, solo traveler, couple, or simply with friends, we, the Singer family, together with our dedicated team, are already looking forward to your visit!

Yours,  
Christina, Florian, Leonie and Hannes with Certi Singer

## OUR SPA BISTRO

Where relaxation and indulgence come together.

In a warm, inviting atmosphere, our guests can enjoy tasty, healthy dishes and refreshing beverages – the perfect way to take a break during or after a rejuvenating wellness experience. The bistro offers a peaceful setting to relax, whether you're sipping tea or enjoying a light snack while admiring the stunning mountain scenery. Additionally, you can have your food and drinks delivered to the pool or garden for even more relaxation.

# DELICIOUS CAREER TROPHY 2025

## THOMAS RÜCKHÖRMANN IN AN INTERVIEW

„Relais & Châteaux is delighted to award the 2025 Delicious Career Trophy to Thomas Rückhörmann, Maître d'hôtel at Hotel Singer in Berwang. Having joined the team as Chef de Rang in 1994, before becoming Maître d'hôtel in 2001, Thomas has been unshakably dedicated to guests, remembering returning visitors and often addressing them in their native language. His remarkable professionalism, passion and pride embodies Relais & Châteaux values exactly. This year is also an important anniversary, as Thomas celebrates 30 years with the Singer family.“

RELAIS & CHÂTEAUX

1. Dear Mr. Thomas, it was supposed to be just one season, and now you've been with us for 30 years. Can you explain to our guests why that is?

„That's easy to explain – I love the philosophy of the hotel, the guests, and the location. Why wouldn't I stay, I thought to myself. Yes, of course, it was only meant to be one season or one year, but things don't always go as planned. The Singer family welcomed me with open arms, and it just felt right. So, naturally, you stay when it feels like home!“

## 2. You recently had the honor of receiving the „Delicious Career Trophy“ from Relais & Châteaux – what was your experience like in Paris?

„What can I say about my experience in Paris? It felt like coming back because I used to visit Paris frequently. We were able to present the hotel at the MITCAR tourism fair for 6 years, 4 days a year, and that's when I really got to know Paris. To be there getting such a prestigious award was truly special. I mean, here I am, just a simple man from Berwang, receiving such recognition was incredibly moving.“

## 3. What memorable moment from your visit to Paris will stay with you forever?

- A very speechless Mr. Thomas -

„What I'll never forget is the evening Mr. Singer and I spent at a surprise dinner in Paris – just the two of us. The ambiance, the cuisine, the wine – it all came together perfectly. It was a moment that will always stay with me. And of course, the award presentation from the Relais & Châteaux president himself – that's something you never forget. Sometimes, I still look at the pictures because I can hardly believe it happened.“

## 4. What is a Relais & Châteaux celebration like?

„LOTS OF CHAMPAGNE!“

Of course, there's also a wonderful dinner, with all the hotel owners from Relais & Châteaux, staff from the international office, and even the president attending. Michelin-starred chefs prepare the meals, and the wine and champagne flow freely.“

## 5. If you had to choose again, would you choose Hotel Singer?

„Absolutely! Without a doubt, yes – I would choose it again in a heartbeat!“

## 6. What's your insider tip at Hotel Singer – what would you absolutely recommend to our guests?

„An insider tip, huh? Well, for anyone who enjoys hiking, you should definitely hike to ‚the end of the world‘ at Wechner's Jausenstation. The game is from their own hunt, and the nature is breathtakingly beautiful in both summer and winter. And when I walk there, it feels like coming home.“

## 7. Finally, with your vast experience, what advice would you give to young talents aiming for an international career in luxury hospitality?

„It's difficult to give advice, but for me, the key has always been that the hotel comes first. I've always treated the guests as if they were my own. The most important thing is to enjoy your work. If you feel like you have to go to work, then this isn't the right place for you. You should genuinely enjoy your profession.“

„THANK YOU FOR 30 YEARS WITH US  
AT HOTEL SINGER - MR. THOMAS!“

# ESCAPE TRAILS IN BERWANG

## FOR OUR LITTLE AND BIG ADVENTURERS

---

The Escape Trails in Berwang work similarly to an outdoor escape game and are specially designed for families with children.

---

### HOW IT WORKS:

#### 1. Start: Pick up the Escape Backpack

Before the adventure begins, pick up your Escape Backpack at the Berwang Tourist Information. Inside, you'll find all the essential materials, such as a map, puzzle sheets, and tools to help you solve the tasks.

#### 2. The Mission: Solve Puzzles & Find Clues

Follow a designated route through nature and solve exciting puzzles that guide you step by step. The tasks are diverse and involve the surrounding environment – you might discover a secret symbol on a tree or need to identify a special plant.

---

#### 3. Teamwork & Adventure

The Escape Trails are perfect for families with children, as teamwork is key. Together, you will combine clues, use logical thinking, and explore different ways to find solutions

#### 4. Goal: Uncover the Secret!

At the end of the trail, the big solution awaits – once you've cracked all the puzzles, you'll uncover the secret of the story and celebrate as true adventurers!

The trails take between 1 and 4 hours depending on the route and are suitable for various age groups.

# HOW OUR ROOMS GOT THEIR NAMES

## FIND OUT HERE

Our Hotel Singer is much more than just a luxurious accommodation – it is our home, and we want our guests to feel just as comfortable and connected. Deeply rooted in the breathtaking mountain landscape of Berwang, not only do our walls tell stories, but so do the names of our rooms. They are a tribute to the mountains that surround us and the nature that inspires us every day.

## INSPIRED BY THE MOUNTAINS

The Tyrolean Alps not only characterise the panoramic views of our hotel, but also our identity. Every room at the Hotel Singer proudly displays a name reminiscent of the majestic peaks that surround our beloved Berwang. Our guests can stay in rooms with names such as Thaneller, Roter Stein, Raazalp or Zugspitze - all distinctive mountain peaks that invite you to dream.

## BUT THERE IS MORE TO IT THAN JUST A LOVELY NAME:

‘We want to show our guests the connection with our local area. For example, anyone staying in the ‘Thaneller - Junior Suite’, can see this impressive mountain directly from their window and feel connected to the nature in a special way. This makes every stay a unique experience that extends far beyond the rooms.’

FLORIAN SINGER

As the Singer family, it is very important to us to connect the history of our hotel with the region. We have dedicated ourselves to running the hotel for three generations now, and our strong connection to Berwang, along with our deep appreciation for this unique location, is reflected in the names of our rooms. They are not just rooms – they are part of our story.
